Update to CVA Bylaws/ Constitution:

Reminder

To all CVA club members,

As you know, Mark Motter and the by-laws committee have been working diligently over the past year. They have updated the old constitution and by-laws, making them much more coherent and modernizing the language. I am confident that the version they have presented to the membership is an outstanding constitution and by-laws that will serve the club well into the future.

We will be voting on this new constitution at the August 10th meeting. In order for this new constitution to be adopted, we need a positive vote from at least half of the current membership. If you cannot attend the meeting, please submit an absentee ballot by August 8th. Absentee ballots can be submitted by emailing the CVA secretary at fred_hill07@yahoo.com. Indicate whether you are voting for or against the new by-laws and include your current AMA number.

Please take the time to read the by-laws and, if you can't make the meeting, take the time to submit an absentee ballot.

Thank You

Annual Club Officers Election:

Coming up at the September meeting is the annual election of club officers. If you cannot make the meeting to vote, get in touch with the secretary Fred Hill (fred_hill07@yahoo.com) to get info on who is running and obtain an absentee ballot.

Harold Francis is the nominating committee chair. If you want to run for a position as a club officer, you need to get in touch with Harold:
